Help make a BIG difference while you increase your bottom line

Please join **The Financial Awareness Foundation** and leading financial service and nonprofit associations and their members, financial service and nonprofit professionals and their companies, employers, municipalities and government agencies, and the news media in supporting and participating in **The Improving Financial Awareness & Financial Literacy Movement** with its concentrated personal finance content media blitz built around the strategic venues of:

- **14th anniversary of National Financial Literacy Month (April)**
- **10th anniversary of National Estate Planning Awareness Month / Week (October 16-22)**

The goals are to encourage you to actively support and join in to alert, educate, motivate, and assist the general public to establish and keep their financial, estate, and gift plans current.

This is such a great opportunity to "do good" for the public, generate new revenue opportunities, and help produce needed gifts and bequests for nonprofits.
