For questions 1 to 20 on the previous page, count up the number of “yes” answers and compare your results with the following:

- 16–20 Financially astute
- 11–15 Financially aware
- 6–10 Not current with your finances
- 0–5 Finances are managing you

Most people score in the 7–9 range! How did you do?

- A key issue here is being financially aware and prepared to face the financial challenges in front of you and your family so when something unexpected occurs you won't be financially devastated and still be able to reach your personal and family dreams.
- The majority of our adult population does not have a current or up-to-date financial, estate & gift plans, nor understand why it is important to have them to protect themselves and their family's assets; that's half your family, friends, and associates.
- Get and keep your financial, estate and gift plans up-to-date; encourage your family and friends to do the same.
