and its strategic partners would want to thank everyone who helped made October, Estate and Gift Planning Awareness Month Campaign a success.

Right from the official launch on the 4th of October, (<https://youtu.be/R6PbMROSkkw>) the campaign ran smoothly, the media played their part, strategic partners, guest speakers, experts, and volunteers all worked really hard in helping create massive estate and gift planning awareness. Thank you all for your time, support, expertise, and worth of knowledge shared.

A great life is indeed a giving life.

On this note, we encourage all Ghanaians to get and keep their estate and gift plans in place. Let's practice the building blocks to successful estate and gift planning. Estate and Gift Planning is part of the whole financial planning process.
